## PRESIDENT'S MESSAGE

### OCTOBER GUN SHOW

October is our last gun show for 2025 on the 25th & 26th and is another fun event that we need lots of volunteers to help again with cooking, roaming the aisles to make sure fire-arms are strapped and safe, watching to make sure vendors are paying attention to their displays, helping sell drawing tickets at the club table as well as answering lots of questions about the club and membership. Just call the clubhouse if you can volunteer a few hours, a day or the week-end. This is one of our major club fundraisers!

### OPEN CARRY LAW

The policy of the Hernando Sportsman's Club is no open carry on the club's public ranges. The only exception to this policy on the club's private property is the club's range of-ficers, certain matches and law enforcement. The reason for the club's policy is for the safety of all members and guests.

### CLUBHOUSE STAFF

We are still looking for a qualified person to help with the most important duties with the clubhouse team. This is a paid position with flexible hours and the opportunity to meet many of our awesome club members and guests. Please contact Randie or Diane Rickert for interview.

### SAD NEWS

We're sad to report the loss of another wonderful club member, Wayne Ramsey, who was an avid IDPA shooter for many years and a club member since 2009. Our deepest condolences to his family.

Come out and enjoy your sport and your club!

Randie Rickert, President

## CLUB HISTORY

The Hernando Sportsman's Club, Inc. was founded in January 1980 as the Hernando County Rifle & Pistol Club, Inc. It was formed to fill a need for an organized shooting fraternity in Hernando County and the surrounding areas. The main purpose of the Club is to support and encourage the legitimate and safe usage of firearms, educate the public in safe firearms handling and encourage good sportsmanship and patriotism.

The Club began with eleven people who met at the North Campus of PHCC in January 1980. Among the Club's first accomplishments was obtaining a place to shoot. The Club used the McDonald Mine east of Brooksville as a range for several years. In 1983, the Club obtained permission to use another old mine off Weatherly Road just northeast of Brooksville which was about four times larger than the original mine. In 1988, with 140 members and many gun shows and fundraisers behind them, the Club finally purchased the current 80+ acre parcel of land off U.S. Hwy 19.

Actual access to the property at that time was through the north side of the 80 acres. Initial zoning and permitting was finally accomplished after approximately 3 years and construction began. Through this initial period, the Club did not actually have a range to use but through many fundraisers and events, the Club managed to grow and retain its members.

Work began on the 200-meter range and the trap range. Legal access to the club was obtained through a lease with the State for the use of the current road into Chassahowitzka Wildlife Management area. In February 1992, the Club finally hosted its first open house on the Trap Range which was somewhat completed. Construction continued the 200-meter range and began on the 100-yard Open Range to provide a general-purpose range. Further construction brought the club a Skeet/Five Stand Range, an Archery Range, and a 50 Yard Range. Construction continues today as funds permit which are primarily derived from the club gun & knife shows. Phase 1 of the clubhouse is complete, and the club is moving toward Phase 2 which will house the kitchen, dining area, offices and a small store as well as a small conference room area.

The club offers shotgun, rifle and pistol shooting daily. Various events held at the range include Hi Power Rifle, Junior 22 Rifle, ARA Matches, Cowboy Action Matches, Bowling Pin Matches, Precision Pistol, IDPA, USPSA, Action Rifle Matches, 3 Gun Matches, 2 Gun Action Matches, Steel Matches, Machine Gun Shoots and Cannon Shoots. The Club also sponsors a 4-H Shooting Program, Hunters Education, Appleseed Rifle Pistol and NRA firearms classes.

Having begun with eleven members in 1980, the Club today has over 1000 family memberships. The Club is also an affiliate of the National Rifle Association, Unified Sportsman of Florida, National Skeet Shooting Assoc. Florida Sport Shooting Assoc., CMP, ARA, IDPA, SASS. Membership is open and available for a one-time \$300.00 initiation fee plus \$100.00 annual dues. It is a family membership that includes spouse and any children living at home 21 years and younger. A monthly newsletter is published and is available on our website. The Club welcomes visitors to the range.

Steel Challenge consists of 8 nationally recognized stages. Each stage has a 5-target array of steel plates that are engaged by each shooter, for five consecutive timed runs. The best 4 out of 5 timed runs of each stage are totaled for the shooter's score. The lowest overall time in each class wins.
