

## **FIREARMS SAFETY and SHOOTING COURSE**

**OFFERED AT  
HERNANDO SPORTSMAN'S CLUB**

### **Lessons:**

- 1. Introduction to Pistol Safety, Parts, and Operation**
- 2. Introduction to Ammunition and the Fundamentals of Pistol Shooting**
- 3. Introduction to Pistol Shooting from the Seated Position**
- 4. Introduction to Pistol Cleaning, Storage, and Training Opportunities**

This is an introductory, "First Steps" class for new shooters. All materials and equipment needed for the class and live fire training is provided to students, including the use of a .22 caliber firearm, ammo, earplugs, and eye protection.

Students will receive a course certificate upon the successful completion of the course lessons and live-fire exercise.

**Note: For experienced shooters who wish to use their own firearm in an advanced class, check out our schedule for the BASIC PISTOL course.**
